CONSENT DECREE

I. BACKGROUND

A. The United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended ("CERCLA"), seeking reimbursement of response costs incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Richardson Flat Tailings Site located approximately 1.5 miles northeast of Park City, Utah ("the Site").

B. By entering into this Consent Decree, neither of the Settling Defendants admit any liability to Plaintiff arising out of the transactions or occurrences that were or could have been alleged in the complaint.

C. By entering into this Consent Decree, the mutual objective of the Parties is to resolve the claims of the United States against Settling Defendants for Past Response Costs, subject to the reservations of rights in Paragraph 15, by allowing Settling Defendants to make a cash payment as described herein.

C. The United States and Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

Exhibit A

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

Such notice shall reference the EPA Region and Site/Spill ID Number 0894, DOJ Case Number 90-11-3-08764, and the civil action number.

All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If the United States brings an action to enforce this Consent Decree, Settling Defendants shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

11. The obligations of Settling Defendants to pay any amounts owed to EPA under this Consent Decree are joint and several. In the event of the failure of any one or more Settling Defendants to make the payments required under this Decree, the remaining Settling Defendant shall be responsible for such payments.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendants' failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendants from payment as required by Section V or from performance of any other requirements of this Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

14. Covenant Not to Sue by United States. Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendants or their respective officers, directors, or employees (to the extent that the liability of such officers, directors, or employees arises solely

from their legal status as officers, directors, or employees) pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V, Paragraph 4 (Payment of Response Costs) and any amount due under Section VI (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendants (and their respective officers, directors, and employees to the extent that the liability of such officers, directors, or employees arises solely from their legal status as officers, directors, or employees) and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY UNITED STATES

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by Plaintiff in Paragraph 14. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANT NOT TO SUE BY SETTling DEFENDANTS

16. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613; or any other provision of law;
- b. any claim arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Utah, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

18. Settling Defendants agree not to assert any claims and to waive all claims or causes of action that they may have for all matters relating to the Site, including for contribution, against any person where the person's liability to Settling Defendants with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials.

19. The waiver in Paragraph 18 shall not apply with respect to any defense, claim, or cause of action that Settling Defendants may have against any person meeting the above criteria if such person asserts a claim or cause of action relating to the Site against such Settling Defendants. This waiver also shall not apply to any claim or cause of action against any person meeting the above criteria if EPA determines:

a. that such person has failed to comply with any EPA requests for information or administrative subpoenas issued pursuant to Section 104(e) or 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) or 9622(e), or Section 3007 of the Solid Waste Disposal Act (also known as the Resource Conservation and Recovery Act or "RCRA"), 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Site, or has been convicted of a criminal violation for the conduct to which this waiver would apply and that conviction has not been vitiated on appeal or otherwise; or

b. that the materials containing hazardous substances contributed to the Site by such person have contributed significantly, or could contribute significantly, either individually or in the aggregate, to the cost of response action or natural resource restoration at the Site.

X. RESERVATION OF RIGHTS BY SETTLING DEFENDANTS

20. The Settling Defendants reserve, and this Consent Decree is without prejudice to, all rights against the United States with respect to all matters not expressly included within the Settling Defendants' Covenant Not to Sue by Settling Defendants in Paragraph 16.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

21. Except as provided in Paragraph 18, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 18, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

22. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendants are entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree means Past Response Costs as defined herein and the response actions at the Site for which the Past Response Costs were incurred. The contribution protection set forth in this Paragraph is intended to provide the broadest protection afforded by CERCLA for the matters addressed in this Consent Decree.

23. Settling Defendants agree that, with respect to any suit or claim for contribution brought by them for matters related to this Consent Decree, they will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendants also agree that, with respect to any suit or claim for contribution brought against them for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 10 days of service of the complaint or claim upon it. In addition, Settling Defendants shall notify EPA and DOJ within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

24. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

XII. RETENTION OF RECORDS

25. Until ten (10) years after the entry of this Consent Decree, Settling Defendants shall preserve and retain all records, reports, or information (hereinafter referred to as "records") now in

their possession or control, or which come into their possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

26. After the conclusion of the 10-year document retention period in the preceding paragraph, Settling Defendants shall notify EPA and DOJ at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ, Settling Defendants shall deliver any such records to EPA. Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiff with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (e.g., company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies to only a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendants shall retain all records that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendant's favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

27. Settling Defendants each hereby certify that, to the best of their knowledge and belief, after thorough inquiry, they have not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to their potential liability regarding the Site since notification of alleged liability by the United States or the State or the filing of suit against them regarding the Site and that they have fully complied with any and all EPA requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6972.
